

First Himalayan Engineering Geological Congress (HEGC-I)

Kathmandu, Nepal

12-13 May, 2019

Welcome!!

On behalf of Organizing Committee of the First Himalayan Engineering Geological Congress (HEGC-I), I cordially invite you to take part as a sponsor/exhibitor in the Congress which is going to be held from 12-13 May, 2019, Kathmandu, Nepal. For further information please visit the official Congress website: www.nseg.org.np. The location of the Congress will be Hotel Radisson, Kathmandu, Nepal. The Congress is a forum of all geoscientists and engineers for a collegial discussion and knowledge exchange and sharing of new research findings in the field of engineering geology and geotechniques. This will offer a spectacular opportunity for engineers, companies, scientists and agencies to meet and take further step to enhance the current state of engineering geology.

During the Congress, the exhibition will play a key role in enabling us to bring out cross-cutting issues of the national and international level. Your participation as a sponsor and/or exhibitor will provide an opportunity to manifest your activities and products to the Congress participants. Sponsorship can provide you with the exposure of your corporate/products and brand awareness, and create positive link about your activities in attendee's mind. In the following you will find further information on the Congress Sponsorship.

The HEGC-I is expected to attract over 150 delegates comprising a mix of international and Nepali participants with interests across a broad range of disciplines. Delegates will be drawn from industry, government agencies, research institutes, and universities. The HEGC-I will provide your organization with opportunities that include:

- Exposure at a premier Congress devoted to the Engineering Geology industry/ research field
- High visibility on the official Congress website and in Congress marketing materials
- A platform for networking and do business with key decision makers
- An arena to capture and secure new prospects whilst enhancing your corporate profile with existing clients
- The opportunity to increase your brand recognition locally and internationally

Please call +9779851060464 or +9779851154970 or send email to rkdahal@gmail.com for sponsorship and booking of booth.

Thank you for considering this invitation to join the HEGC-I as a sponsor. We look forward to seeing you in the Congress.
